KATHERINE ANN O'BRIEN

Just Right! Is a  
charming children's  
book about six  
children who gather  
at the park!

JUST RIGHT

The LOOK and FEEL of the story is warm and happy and engages not only the young viewer, but the whole family. The story starts as the children as about what they feel are their shortcoming ...Like Eddie asking if his voice is too loud – No, Grandpa assures him – he needs that big voice when calling for the ‘hi – fly- ball!’

Or when Hannah asks if her eyes are 'too brown,' Grandpa assures her her eyes are 'Just Right' and points out all the wonderful things he lovely eyes can see!.

And, when Leah wonders if her legs are too short, she is reminded how wonderful her legs are as they help others- and especially when helping catch a loose pet....

When Angel wonders if  
her smile is too crooked,  
Grandpa helps her see  
how she takes beautiful  
pictures of others to show  
their smiles!!

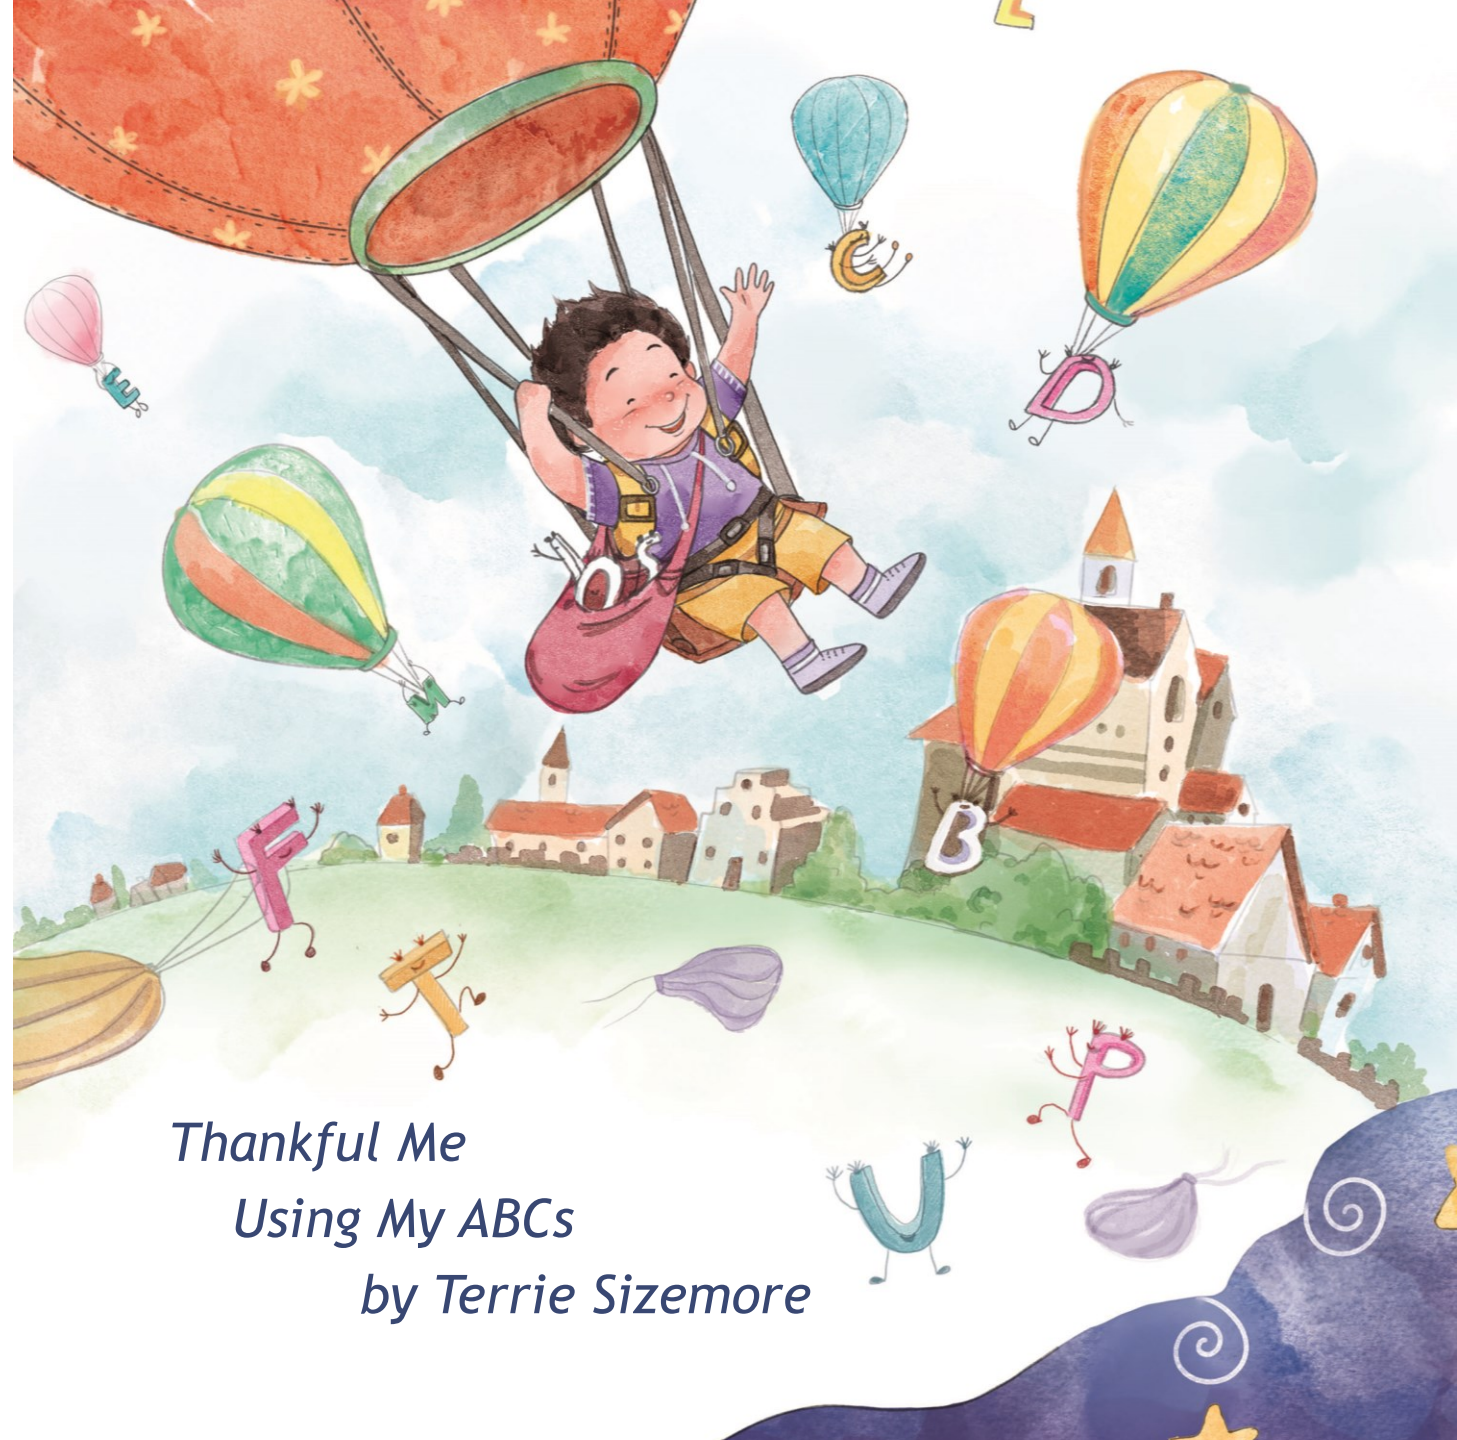

Come, see how Grandpa  
show the children how  
valuable they are just the  
way they are!
